**WAUSAU WI 54402**

*Starting now, your involvement with the Jaycees will provide you opportunities to meet people, impact your community, and apply skills to enhance your career.*

First, ask yourself what you want from life. Do you want to seek success? Do you want an active role in the civic life of your community? Do you want to meet and work with new and interesting people and to enlarge your social contact with others of similar age, economic positions and interests? If so, you should invest your time in the Wausau Area Jaycees!

The Jaycee organization is based on the concept of *developing the whole person* by utilizing three essential functions: Individual Development, Management Development, and Community Development. These three functions form a triangle to represent the Jaycees' goal, which is to enhance the potential of each individual Jaycee member, as well as benefit the community in which they live.

The Wausau Area Jaycees offer members the opportunity to improve their management skills by serving on the Board of Directors or helping run a project. Being an officer and working on projects provides the member with experience and training in:

- Project planning
- Personnel management
- Public speaking
- Public relations
- Leadership skills
- Knowledge of community activities

All these management tools are marketable skills that can be applied to our jobs and professions. Where else but in Jaycees can an individual practice leadership skills without fear of failure or employer intervention? Take up one of these **Management** projects to help improve those skills:

- Fourth of July Celebration
- Craft Show
- Sandbox Fill

The Jaycees is an organization that builds leaders. Providing the opportunity for each member to reach his or her full potential is the function of the **Individual Development** Program. The following are some programs the Wausau Area Jaycees offer to our members:

- Personal Development
- Recreational Skills
- Professional Competence

**Community Development** benefits our community and our members. The member gains valuable experience and skills from running a project and the community gains monetary donations or services provided through the project. Some of the projects we sponsor for our community are:

- Adopt-A-Highway
- Pepsi Pitch, Hit & Run
- Pepsi Punt, Pass, and Kick

We also take time to socialize and network. You can pretty much ask any Jaycee member and they will be able to tell you a dozen stories about friends they have made, memories they cherish and the fun they had while being a Jaycee member.
